

Georgetown Days Stage - Canopy Set-Up

- Put up poles 1 through 4. The four stage corners are marked right front and rear and left front and rear.
- Put together 5 through 9 and then mount it on the poles.
- Put together 10 through 14 and mount it on the poles.
- Put together 15 through 17 but don't bolt it. 15 and 17 slide into 16, put in place and then extend them into 5 and 14 and bolt 15 and 17 into place.
- Repeat for 18 through 20.
- Repeat for 21 through 23.
- Put tarp on top and tie to poles with cable ties.
